The Pasuk says "You shall observe and fulfill all that I command you to do. You shall not add to it or detract from it."(13:1)

The Vilna Gaon comments that we have a similar Pasuk in Vaeschanan (4:2) "You shall not add to that which I have commanded you and you shall not detract from it." He explains that there is a fundamental difference between the mitzvos. The Pasuk in Vaeschanan refers to either adding or subtracting from the mitzvos by creating new ones or saying certain ones no longer apply. This Pasuk, however, is referring to changing the mitzvos by adding or subtracting to them, such as adding tzitzis to a 3 or 5 corner garment. The mitzvos can't be changed in any form!

We are so lucky that Hashem gave us the Torah, the perfect guide to living our lives. Here at Shalom, we surround our campers with outstanding counselors, specialists, Rebbeim, Morahs, and administrators who all help guide our campers on the Derech Hashem.

NEWS AROUND CAMP SHALOM

Rishon had an amazing week celebrating shabbos and color war all week long! Week 7 had us swimming, dancing, singing, cheering, and so much more. We enjoyed a shabbos oneg where we sang shabbos songs, heard a shabbos story, and pinned the flame on the shabbos candle. Team yellow were truly winners as we competed during swim, sports, and banner presentation. We made beautiful coasters for our kiddush cups, talked about wax and crayons, made sensory bottles in messy masterpieces, and enjoyed learning about snakes in nature. Wishing you all an amazing shabbos. Can't wait to see you next week!!!

The **Sheini** and **Shlishi Girls** girls celebrated our week's theme of Shabbos in a very special way- a ruach filled Color War! The Pink team, Shamor, vs the Purple team, Zachor, competed in a variety of games to earn points for winning and good middos. From the Apache Relay Race, Minute to Win It, Cake Wars, and Tzedakah Dive the girls' competitive spirits emerged. The girls were able to showcase their different talents by painting the banner, dancing in the stomp, and performing the team song. The highlight of Color War was the Achdus shown between the teams. In the end, the Pink team was victorious, but the Purple team put up a great fight! As our action packed week is coming to a close, we are looking forward to our exciting last week at Camp Shalom.

Our boys had an absolutely amazing time this week. Color War was a blast from start to finish. From the thrilling Apache race to the zany lunchroom competitions, everyone had the time of their lives! The most beautiful part of Color War was the inspiring camaraderie exhibited by both teams. We love the way our staff and campers were helping each other with their banners and decorations and encouraging the other team during all of the events. Kudos to our staff and campers for all of the hard work they put in to making this event and astounding success.

Congratulations to the blue team on their victory and props to the Green team for putting up a real fight and coming soooo close. We are looking forward to all being on one team for the final week of camp Shalom!

NEWS AROUND CAMP SHALOM

Around the Pool

Shalom parents, staff, and campers!

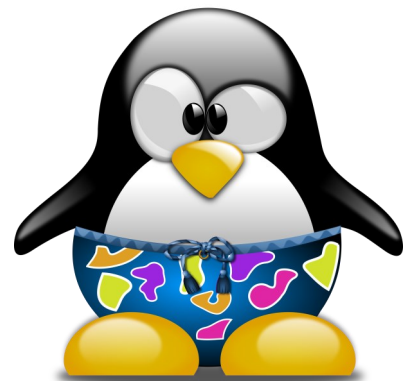

This week at the pool we did things a bit different. In honor of Color war, we did swim related competitions with our campers and counselors. From tzedakah dives to steal the salami, from swim relays to pool noodle javelin throw, all campers and counselors had an opportunity to win points for their teams.

Our Rishons also had color war swim activities. We had our Rishons collect tzedakah and yellow balls thrown into the pool. There is nothing like color war at the pool.

Congratulations to Team Yellow, Team Pink, and Team Blue on winning the color war!

Looking forward to our regular swim programming next week.

With waterlogged smiles and excitement,
